OPINION AND ORDER DISMISSING COMPLAINT
WITHOUT PREJUDICE

On May 7, 2021, while a Michigan Department of Corrections prisoner, Plaintiff filed this lawsuit against Defendants and an application to proceed without prepaying fees or costs. (ECF Nos. 1, 2.) On July 9, 2021, the Court informed the parties of their obligation to notify it of any address changes. (ECF No. 6.) In April 2022, Plaintiff informed the Court that he had been released from prison and provided a new address. (ECF No. 15.) As Plaintiff no longer had a prison trust account, the Court could not grant him permission to proceed without prepaying fees or costs, but it granted him leave to proceed in forma pauperis. (See ECF No.

16.) However, because the Complaint fails to satisfy the requirements of Federal Rule of Civil Procedure 8(a), the Court entered an opinion and order on November 17, 2022, requiring Plaintiff to file an amended complaint within thirty days. (*Id.*) The Court warned Plaintiff that the failure to file an amended pleading would result in the action being dismissed. (*Id.* at Pg ID 85.)

As of this date, Plaintiff has not filed an amended complaint. Plaintiff also appears to have changed his address without keeping the Court apprised of his new location.¹

Accordingly,

IT IS ORDERED that Plaintiff's Complaint is **DISMISSED WITHOUT PREJUDICE**.
